

# Owl Analytics tour

08/28/2025 4:44 pm EDT

KnowledgeOwl's latest release, [Owl Analytics](#), is live! If you're wondering how to get started, KnowledgeOwl's own Kate Mueller will give you a tour of the setup and reporting capabilities, as well as some of the reports she's already enjoying exploring.

Date: Thursday, September 4th

Time: 1:00 - 2:00 PM Eastern

Location: YouTube Live, Streamyard (links will be emailed a few days before the event)

If you can't attend live, don't worry! We'll send a recording out to all registrants.

Register using the form below, or [click here](#).
